Dear Property Owner/Property Manager:

The purpose of this letter is to inform you of the new Quarryville Borough regulations relating to the leasing of residential properties. A copy of the ordinance may be viewed on the Quarryville Borough website at www.quarryvilleborough.com. If you are unable to access the website feel free to contact the Borough office for a copy of the ordinance. I have included a copy of the residential license application for your convenience. The rental license application forms are to be submitted within 60 days of the adoption of the ordinance (March 7, 2019). Please note that each unit requires a separate application. After receipt of the applications, inspections will be scheduled with the applicant or manager.

All forms shall be submitted to:
Solanco Engineering Associates, LLC
