1. Personnel/Employment: Troy Hickins to be hired as part-time officer.
2. Phone System: KC Company will be installing a new phone system in the municipal building.
3. Schedule Software: Chief Beighley provided Power DMS data for the committee to read over. Chief advised that Bob Work's partial payment could pay for the new system.
4. Additional Duty Assignment of Detective: This assignment would not involve extra pay or cost to the Borough. No conflict with union rules.
5. Police Range Update: Police Officers have seeded the area. Plan is soon to be completed.
6. New Police Car Grant Award: Grant award for \$54,000. Discussion was held about using the grant to pay-off the car already ordered or purchasing another vehicle.
7. SGT Position: Chief Beighley would like to appoint a Sergeant, he does not feel "Officer in Charge" is sufficient. J. Kemper expressed opposition to a position like this due to budget constraints, as we are past budget time for this year. S. Noel requested a job description for a Sergeant position.

The meeting was adjourned at 6:59 PM.
