

## Quarryville Police Committee Meeting May 1, 2023

Attendees: Chief Beighley, Joy Kemper, Susan Noel, Anthony Cavallaro

Absent: Gerald Hassel

Guests: Robert Burns, Aaron Haun, Kathy Sutherland

1. Scheduling Software: Chief Beighley is interested in purchasing a new computer program for scheduling purposes. Susan suggested waiting to see what money is left in the budget at year-end before making a decision to purchase.
2. Sergeant Position: Discussion regarding adding Sergeant position. When asked for her opinion, Joy stated that she feels the department is too small to have a rank structure and is concerned about cost and keeping the budget trimmed down. Susan would possibly consider such a position, but feels a decision should not be made until budget time.
3. Police Range Update: Seeding is done. Project and corrections required by Lancaster Conservation District are near completion.

The meeting was adjourned at 6:50 PM.
